2. KIOXIA's Action Plan Based on the Advancement of Measures to Support the Act on Raising the Next Generation

Target: Improve working conditions in order to achieve diverse and flexible working styles
Measures

Measures

- Introduction of Work from home system
- Review of leave system to support various life plans

3. KIOXIA's Action Plan Based on the Promotion of the Act on Women's Participation and Career Advancement in the Workplace

(1) Regarding "Providing opportunities for women's professional life"

Target: Double the number of female managers compared to FY 2019 to promote women's participation in management

Measures

- Senior management to send messages about diversity promotion company-wide
- Diversity management training to be held for managers and executives to promote understanding within the company
- Training to support career development to be provided
- The ratio of female new graduates to be targeted at 45% or more for administrative work and 15% or more for technical work.

(2) Regarding "Improvements in the working environment that helps to balance work life and family life"

Target: Ensure that at least 80% of paid annual leave is utilized in order to prevent overwork, to protect employees' health, and achieve a balance between work and family life.

Measures

- Status of paid annual leave utilization for each department to be monitored
- Active utilization of paid annual leave by employees to be encouraged by managers of departments with low utilization rates

The overall aim is for all targets to be achieved within the planned period
